[What are the General Volunteer Responsibilities?](#)

- **Wear Closed-toe Shoes** such as tennis shoes or boots. 5-finger vibram shoes, keen type sandals and flippy floppy shoes are not accepted. If you

arrive in these types of shoes you will not be checked in for your shift.

- **Check in and Check out.** It is absolutely and ultimately the responsibility of the volunteer to ensure they are properly credited for their shift.
- **Arrive at least 15 minutes early to Clock In.**
- **Arrive Ready to Work and Represent the Event and Clean Vibes.** If a volunteer is believed to be intoxicated in any way, the volunteer will be unable to participate and will therefore forfeit their event ticket deposit. Be sure to sleep and hydrate prior to shifts. Remember volunteers are directly representing the event - be happy, patient, and ready to make a difference! Bring ANYTHING that may be needed during the shift, as volunteers are not allowed to return to their vehicle or tent while on shift. Do be aware that you will be required to carry anything you bring - we will not have a place to store bags or backpacks!

NOTE: Volunteers who check in with a medical ailment, or who begin their shift in a depleted state from not taking care of their health over the weekend (IE - they are severely dehydrated at the start of their shift) will be let go and their deposit will be forfeited. All of you have the knowledge that you will be working in the sun during your shifts. Please be prepared. Drink water. Wear sunscreen. Get some sleep. Be ready!

Is water or food provided while on shift?

Water will be available (bring refillable water container), food will not, so be sure to eat before working! No breaks for meals are provided during shifts, with the exception of Post Show volunteers, we will provide lunch on shift days only. Please refer to the [Bourbon & Beyond FAQs](#) regarding their clear bag policy and what is prohibited and allowed into the event.

I have one of those long handled pincers that I think will be great for this, can I bring it?

We ask you leave all pincer tools, sticks, and litter pickers at home. Often times you will not be permitted to bring these into the event and even if you are allowed to bring it in, you will not be permitted to use it during your volunteer shift. We find these items to be more cumbersome than they are worth. We appreciate your cooperation on this matter.

Can we listen to music on portable speakers or through headphones while on shift?

No, headphones or portable speakers may not be used at any time during your shift. This includes listening to music through your phone speakers.

What should volunteers bring to each shift?

Bring water/refillable water container, a snack, a hat – and be sure to put on sunscreen! A rain jacket is a great idea, as well as warm clothing for colder-area. Volunteers MUST wear tennis shoes or boots (or other CLOSED TOE SHOES) to every shift. Volunteers will not be able to return to their tent/car at any time during their shift.

Attempting to check-in unprepared for your shift (IE - wearing flip-flops) will result in a "no show" shift!

Please refer to the [Bourbon & Beyond FAQ](#) regarding their clear bag policy and what is prohibited and allowed into the event.

What if there is an issue while on shift?

FOLLOWING THE EVENT: REFUNDS

Deposits are held from the time that they are submitted up to 3 weeks following the event but are typically refunded within 7-10 business days of the event. The event reserves the right to forfeit a ticket deposit for any misconduct as decided by the event or Clean Vibes staff, regardless of if the offense is listed within the terms or the FAQ, and regardless if all shifts have been completed by the volunteer - All Clean Vibes and Event rules and regulations must be followed. Note that forfeiture of ticket deposit may result in removal from festival grounds.

Why may a volunteer NOT receive a ticket deposit refund?

- Missing a clock in or clock out. This includes failing to report for a shift as well as walking off a shift without clocking out.
- Failing to adhere to Clean Vibes and Event rules and regulations.
- Any misconduct that would get a volunteer fired from their position, such as stealing, lying, inappropriate behavior, etc.
- Arriving for shift in poor health (ie - dehydrated, sun stroked, ill).
- Consuming legal or illegal intoxicating substances while on shift (alcohol, marijuana, etc) or appearing or suspected of being intoxicated.
- Failing to report to shift with closed-toed shoes.
- Reporting to duty late.
- Disrespectful or insubordinate behavior to event staff.
- Clean Vibes reserves the right to remove a volunteer from the event site and/or retain the volunteer ticket deposit for other reasons not listed above, at the sole discretion of Clean Vibes. Just be nice and show a good work ethic to avoid refund issues!

What is the forfeiture appeals process?

The forfeiture appeals process is the dispute process in the event a deposit is marked as forfeited for any of the reasons listed above, or for other reasons as decided by event staff. All forfeiture notices will be sent via email following the event, however it is solely the volunteer's responsibility to check that all shifts are completed that their volunteer obligation. The forfeiture appeals time period will last 2 weeks following the event. Any volunteer that fails to complete an appeals within 2 weeks of the event will forfeit the opportunity to appeal and therefore forfeit their event deposit. All forfeiture appeals received within the allowable time will be considered. Forfeiture appeals will only be considered with the parameters set forth in this document and the Terms & Conditions. All forfeiture appeal decisions are final, as decided by Clean Vibes' staff.

What happens if the festival is canceled?

Please read this section carefully. In the event that part of the festival is canceled, the nonrefundable ordering processing fee will not be refunded. If the volunteer's shift(s) have been fulfilled up to the point of cancellation, and the festival is issuing partial refunds to patrons, the event ticket deposit will be fully refunded. If part of the event is cancelled and the volunteer's shifts prior to the cancellation have **not** been fulfilled, then the deposit is still forfeited, even if ticket holders receive a refund.
